SAN ANTONIO CHAPTER OF TUSKEGEE AIRMEN, INC. (SAC-TAI)

STEM-A YOUTH PROGRAM

The SAC-TAI Science, Technology, Engineering, & Mathematics Youth Program with an emphasis in Aviation (STEM-A) is available to students in San Antonio K-12 schools and the surrounding areas in and around Bexar County.

The objectives of the program are based on the mission and purpose of the San Antonio Chapter of Tuskegee Airmen, Incorporated. The program objectives are to provide multiple opportunities for youth to: (1) Develop an awareness of the impact and contributions of pioneering minority aviators; (2) Understand the roles of aviation that affect everyday life; (3) Gain exposure to the field of aviation, technology, and careers in the aerospace industry as a catalyst for advanced and continued education; and (4) Gain an appreciation of the story and lessons of the Tuskegee Airmen and their legacy of determination, perseverance, and patience.

Participants will have the opportunity to interact with professionals who represent various careers field with a foundation in science, technology, engineering, and mathematics with emphases in aviation. The students will engage in hands-on experiences and observations to promote understanding and awareness through field trips and visits to partnering groups and organizations. Consistent attendance of the attendees is required to maintain a continuum of learning opportunities. Transportation to the program site is the responsibility of parent/guardian.
